

A Civil Defense Certified Company

Your partner in fire safety solutions

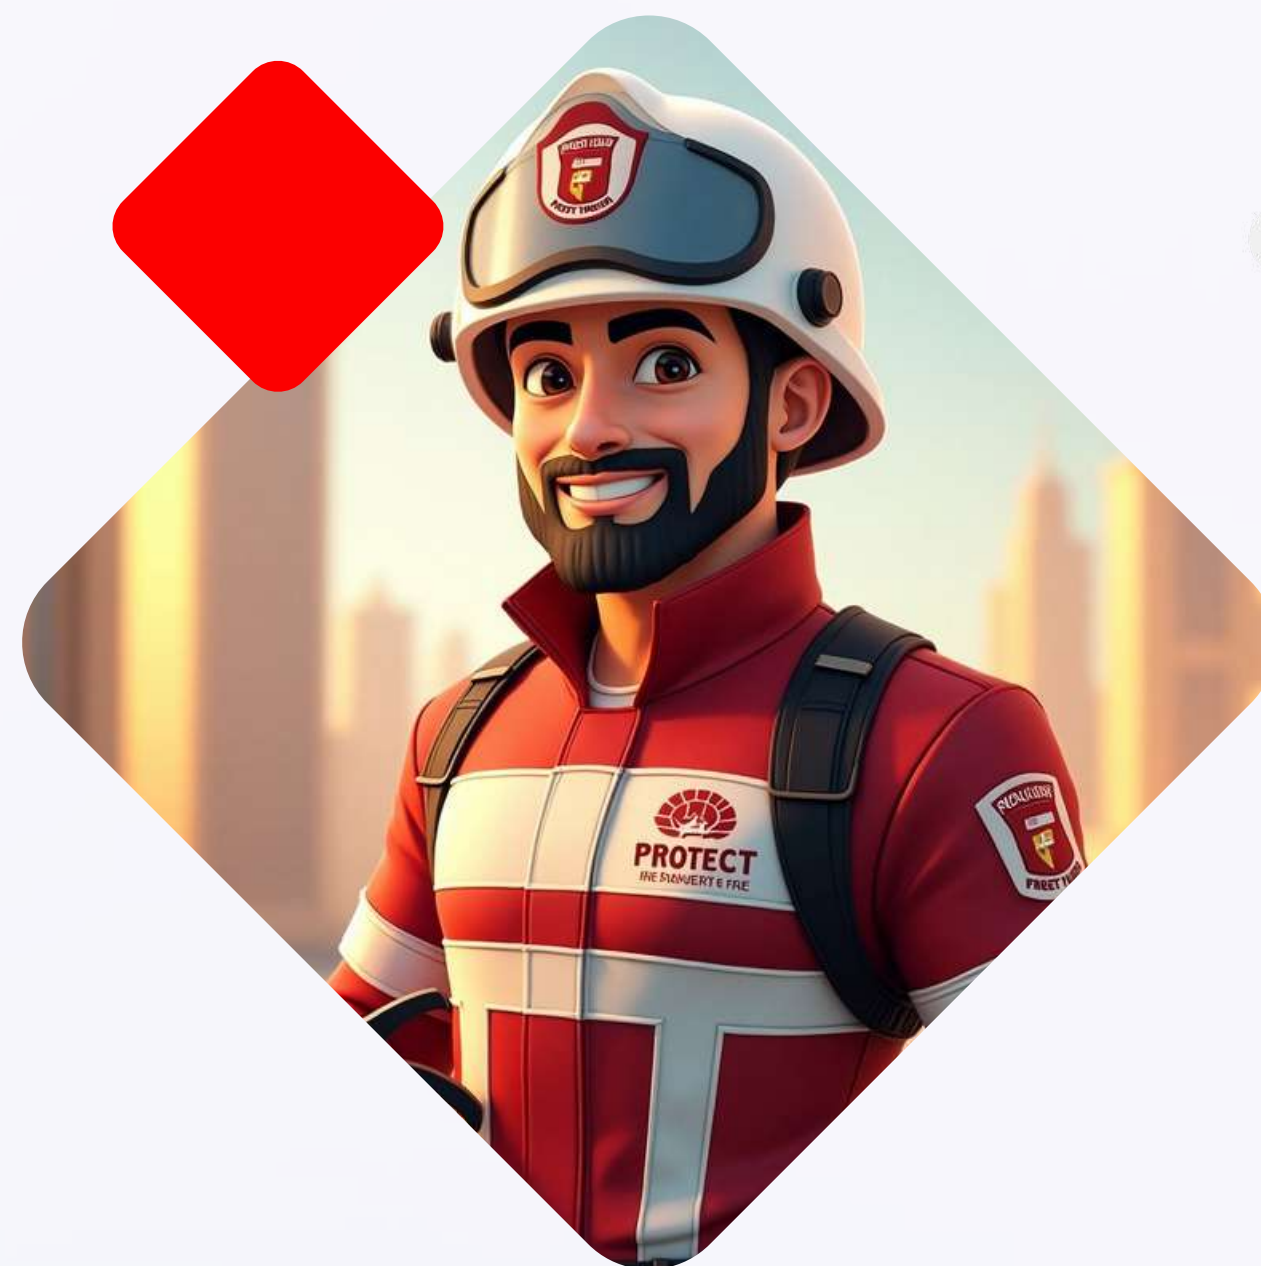

Introduction

About Us

Fire emergencies pose a constant threat to lives and infrastructure, demanding expert protection solutions. As a Qatar Civil Defense-certified provider, Protect Plus

Qatar delivers end-to-end fire safety systems engineered to the highest international standards.

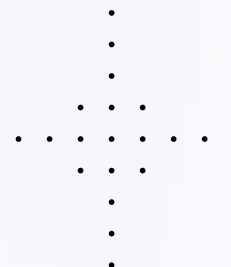

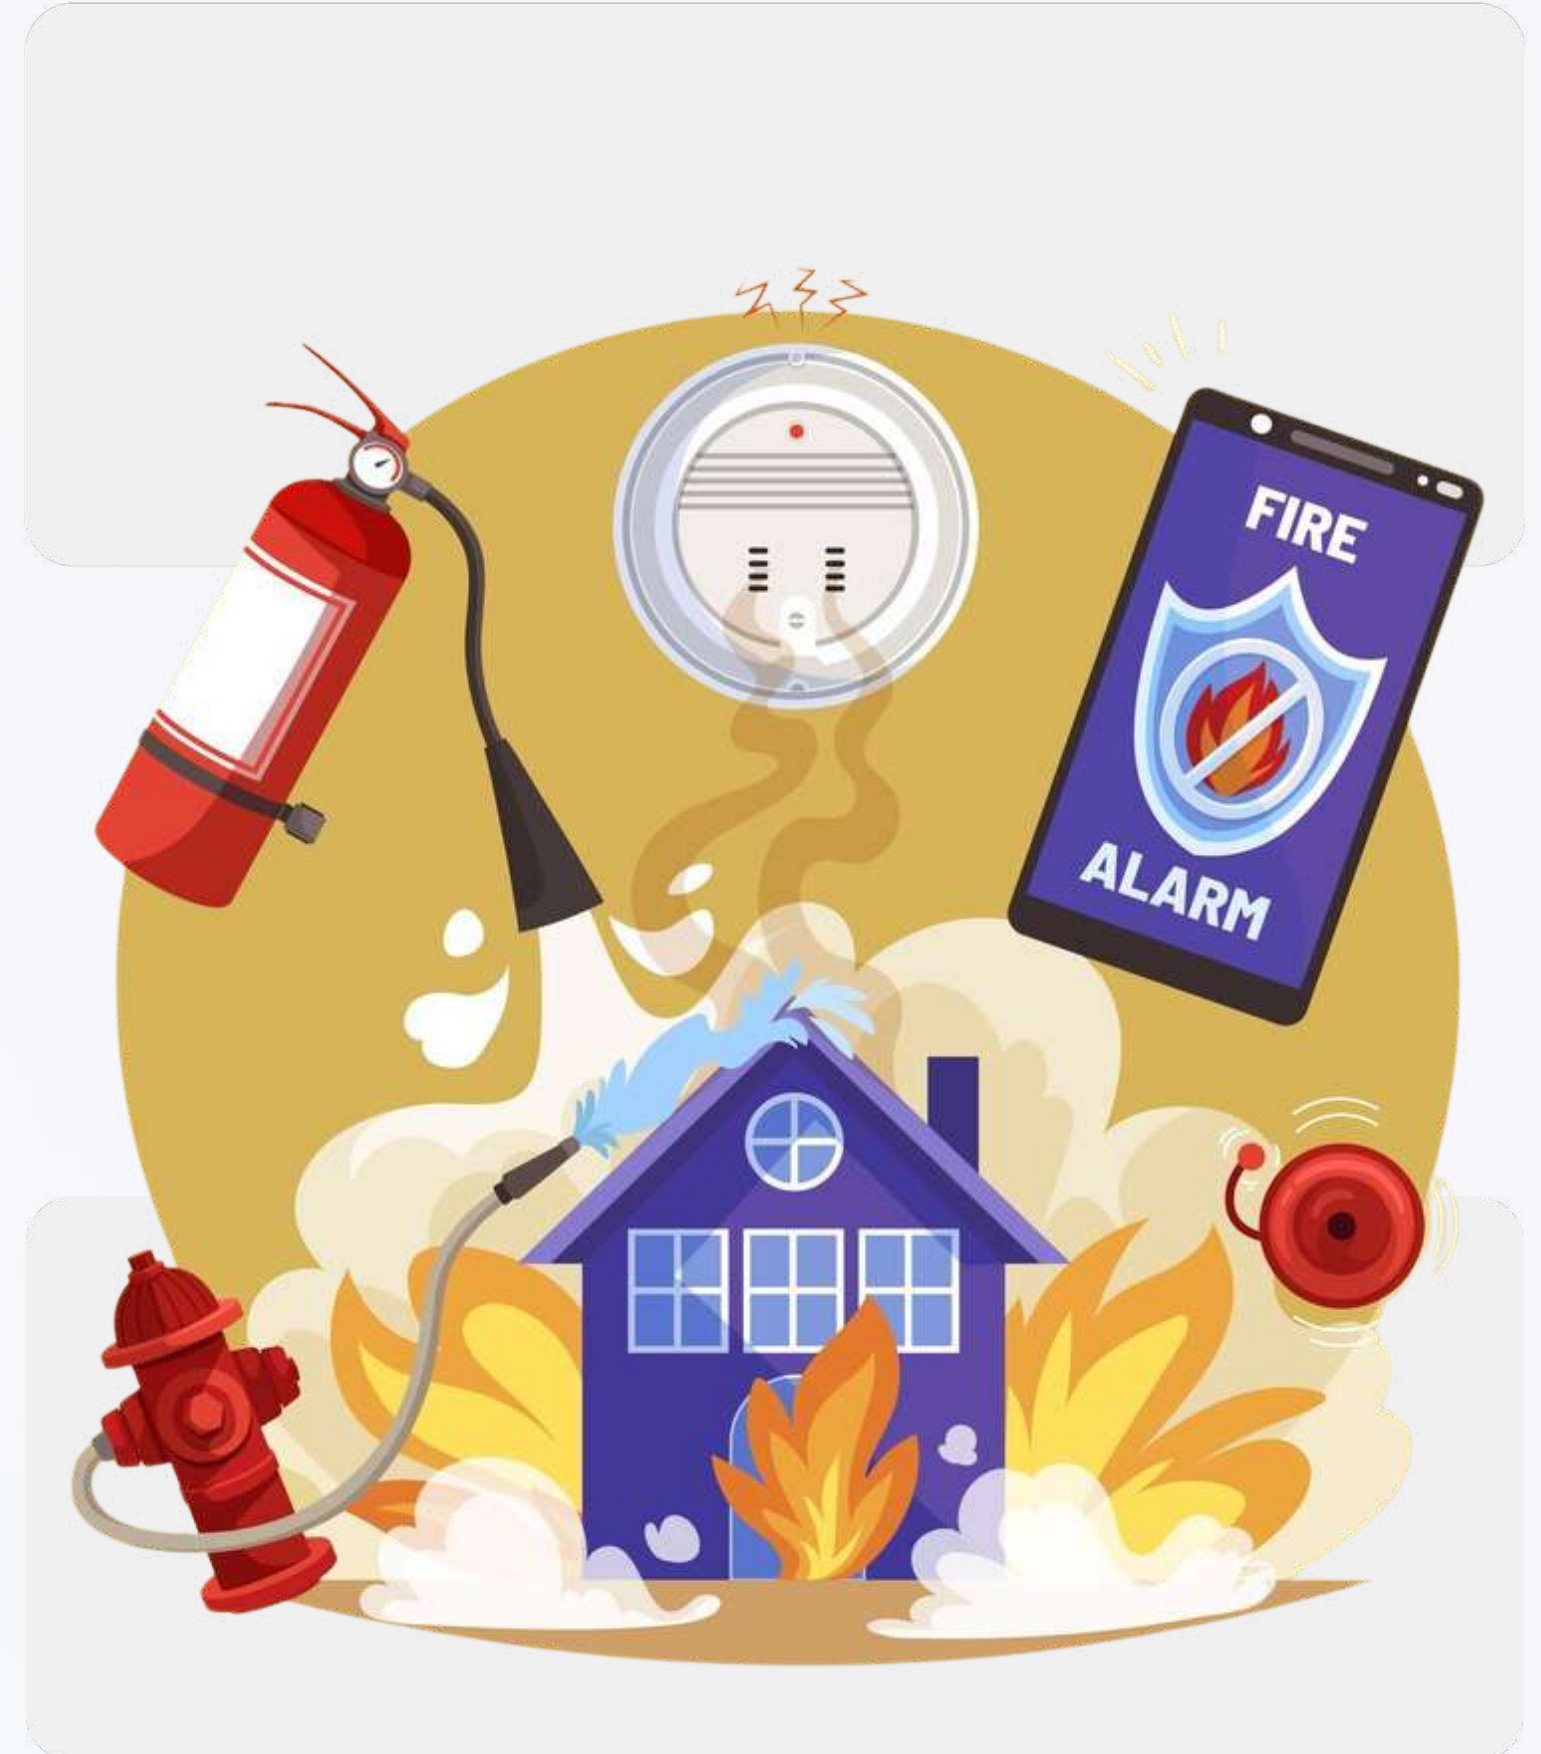

We specialize in comprehensive fire protection services encompassing design, installation, commissioning, and maintenance of cutting-edge detection and suppression systems. Our solutions strictly comply with NFPA standards and QCDD regulations, ensuring complete legal compliance for your facility.

Vision

Our vision is to be the premier provider of comprehensive fire protection solutions, safeguarding the safety and well-being of communities.
